IGIA Summer Conference 2017

**Designed for you by the
Illinois Green Industry Association**

June 25-28, 2017
Marina Grand Resort
New Buffalo, Michigan

Traditionally, the IGIA Summer Conference is held at an out-of-state resort and has served as an important networking opportunity after the hectic spring season. During Summer Conference, the IGIA will host the Annual Membership Meeting, IGIA board of directors meeting, a tour of a nursery facility, botanic garden or industry activity and several networking receptions and dinners. We hope that all members of the green industry will take a break and join us to network with friends, colleagues and industry professionals and have some fun together!
