Inspired Items for Nonprofit Fundraising

Winspire was established in 2008 with the focus of assisting Nonprofits maximize their fundraising revenue.

From the beginning, our team has been dedicated to creating and providing the Nonprofit community with the best service and most unique auction item Experiences. Winspire has worked with over 4,000 Nonprofits across North America to provide auction items that help increase net revenue in events big and small.

Winspire is staffed with a professional team of Event Consultants who are tasked with providing impeccable service and valuable insight on how to increase the net revenue of your event. A dedicated team of travel experts is also on hand throughout the booking process, whose sole job is to assist your Winning Bidders in making the most of their Experience.

We believe nothing is more important than people and their Experiences.

We are people centered, showing genuine care and respect to our fellow team members, Nonprofits and their supporters, resellers, travel partners and the local community.

We are always improving, working hard to produce Winspire Experiences with creativity, passion and integrity that will benefit Nonprofit fundraisers and their supporters.

We strive to inspire and to leave a lasting impression in everything we do by working as a team in an engaging, cooperative and spirited environment.

We choose to make a difference by being actively involved in our local community.

Nonprofits across North America use Winspire Travel to raise money at their events.
