4:30 – 6:30 Green Industry Meetup

Students are invited to stay for the Green Industry Meetup that will be held at Lurvey from 4:30 – 6:30. Industry professionals and local legislators will be in attendance for a casual happy-hour style event to discuss challenges with the season, opportunities for the coming months, and to network with each other. If you feel this would help you meet professionals in the green industry, please join us.
