

CURT FEUCHT SERVICES, LLC
IRRIGATION • LIGHTING • MOSQUITO SYSTEMS

Irrigation Position:

Curt Feucht Services wants to offer you an opportunity working outdoors as an Irrigation Technician! Our staff enjoys a fun, hardworking atmosphere where productivity is rewarded. The hours can be long during our peak spring and fall seasons and the weather may not always be perfect, but our team is focused on providing customers with an exceptional service experience and enjoy ourselves as we serve!

Requirements:

- Great Attitude
- Able to interact with customers
- Physically active for 7+ hours a day.
- Works outdoors during all seasons.
- Able to perform the job with little to no supervision.
- Desires the company to be successful
- Eager to learn new trades and to stretch when needed
- Valid driver's license
- Pass DOT medical exam with drug testing

Rewards and Benefits include:

- On the job training
- Supportive work environment
- Great start to a long and fulfilling career
- Paid holidays & time off
- Flexible hours
- Growth opportunities

If you take pride in your appearance, enjoy dealing with people, and have a great driving record, send us your resume! Obviously, there's more to the job than listed here; however, we believe in finding the right person for our company, not just the current position. We would love for you to grow your career with us!

Interested applicants please respond by email for an interview

Looking forward to meeting our next team member!!
